

LGJ-20 FREESTANDING LABORATORY FREEZE DRYER

Laboratory Freeze Dryer

Research & Development Freeze Dryer

Technical Parameters

	LGJ-20 (-55C)	LGJ-20 (-80C)
Condenser Capacity	9L	9L
Condenser Performance	4Kgs/24Hrs	5Kgs/24Hrs
Condenser Temp.	-55C	-80C
Base Unit Size	W/520*D/580*H/720mm	W/520*D/760*H/720mm
Estimate Weight	65Kgs	95Kgs
Power Install	600w	1180w
Voltage	110V/220V	110V/220V

Technical Features

- Mobile freestanding unit.
- Powder coated steel cabinet with wheels.
- Easy cleaning stainless steel countertop.
- Upright stainless steel ice condenser with 9L volume.
- Vapor collect capacity up to 5kgs in 24hrs period ^[1].
- 6 Selections of drying chamber ^[2], capable of drying material in trays, vials, ampoules, flasks or simultaneously.
- 1 compressor for -55C model, 2 compressors for -80C model.
- Air cooled compressor system.
- Side mounted vacuum connection and condenser water drain valve.
- Microprocessor-based controller, 7" user-friendly touch screen HMI, intuitive LYO-LAB interface:
- Large virtual buttons of compressor and vacuum pump.
- Real-time temperature readings of ice condenser, raw material and vacuum degree.
- Real-time freeze drying trend, data-logging functionality and can be exported via USB.
- System settings and sensors calibration.

Accessories

Type A

Type B

Type C

Type D

Type E

Type T

Item	Description	Size	Trays
Type A	Standard chamber	Dia.260*430mm	Dia. 200mm (4pcs)
Type B	Stoppering chamber	Dia.260*490mm	Dia.180mm (3pcs)
Type C	Standard chamber with 8 manifolds	Dia.260*465mm	Dia. 200mm (4pcs)
Type D	Stoppering chamber with 8 manifolds	Dia.260*540mm	Dia. 180mm (3pcs)
Type E	S/S rack with rubber valves for ampoules	24 Manifold: W/480*H/430mm 48 Manifold: W/480*H/500mm	/
Type T	S/S rack with rubber valves for flasks.	12 Manifold: W/650*H/430mm 24 Manifold: W/650*H/520mm	/

Options

Item	Part No.	Description
S/S316L material		
PTFE coated condenser		
Vacuum regulate kit		
Oil sealed vacuum pump		
Dry vacuum pump		
Eutectic point detector		
Product temp. sensors up to 4		
Heated shelves
